Our mission is to maintain and improve the golf facilities owned by the City of San Antonio while offering affordable golf to area citizens. The rising costs of labor, maintenance, fertilizer, and even water are making it necessary for us to slightly increase our annual Players Club membership fees as well as our green fees. Our goal is to continue to upgrade the experience on the Trail for our customers, retain quality employees, complete large projects like the update of Olmos Basin, and continue to improve the courses all while offering competitive prices. Some notable changes are:

New Players Club Rates effective October 1st, with no change in benefits.

- Level I - \$65.95
- Level I Senior & Active/Retired Military - \$65.95
- Level II - \$369.95
- Level II Senior & Active/Retired Military - \$319.95
- Die Hard - \$2,900.00

The following courses will increase \$1.00 per 18 hole round of golf.

- Brackenridge Park
- Cedar Creek
- Mission del Lago

- Northern Hills
- Riverside
- Willow Springs

Rounds played at Olmos Basin will be charged at the same rates as Cedar Creek. Please also note that the Loyalty Point award and redemption values have been adjusted to reflect the green fee changes.

We thank you for your continued support, and we look forward to seeing you out on the Trail!
